STAMPS - Copy stamps - Issue of single and double copy stamp papers to parties - Instructions issued.

REVENUE DEPARTMENT.

G.O.Ms.No.620. Dated the 4th March, 1950.
Read the following:-

G.O.Ms.No.2184, Revenue dated the 28th July 1943.
Government Memorandum No.75910 K/49-2, Revenue dated the 10th January 1950.
From the Board of Revenue, L.274/50-2 dated the 27th February '50.

ORDER:

It has been represented to the Government that parties who need only single copy stamp papers are issued double copy stamp papers, i.e., copy stamp papers with court-fee stamps affixed on the reverse side, with the result that parties who have no use for the reverse side of the copy stamp paper have unnecessarily to pay for the court-fee stamp affixed on the reverse and experience difficulty in removing the excess stamps so affixed. The Government wish to point out that parties should be at liberty to buy single copy stamp paper or double copy stamp paper as they require. Court fee stamps should not therefore be affixed on the reverse of the copy stamp paper which is sold to a party who required only a single copy stamp paper. Double copy stamp paper should be issued only to those who ask for such paper, and the court fee stamp in such cases should be issued separately, so that the parties may themselves affix the stamp. The Board of Revenue is accordingly requested to issue immediately definite instructions to all Collectors in this regard.
